

## New Staff at the Tobacco Dependence Program

### Patricia Repetto, M.Ed.

Ms. Repetto is the administrator of the Tobacco Dependence Program. She brings eight years of experience in tobacco-related curriculum development and clinician training. She previously worked for the New York City Department of Health, Tobacco Control Program as Director of Cessation. She has direct experience in the development of a citywide network of treatment clinics, integrating treatment into mental health and addiction programs and developing population-based tobacco treatment initiatives. She completed the Massachusetts Tobacco Treatment Specialist training in 2000 and has since created quitting programs for the New York City Department of Health and various private companies based in Manhattan. She is co-author of the American Cancer Society's "Make Yours a Fresh Start Family" Provider Training Manual and author/co-producer of "Breaking the Chains of Addiction" training video.

The **Tobacco Dependence Program** is dedicated to reducing the harm to health caused by tobacco use. We do this through education, treatment, research and advocacy.

The **Tobacco Dependence Program**, UMDNJ-School of Public Health, helps programs, organizations and clinicians deal with tobacco issues and nicotine dependence.

#### Products and services include:

- ◆ consultation
- ◆ education and training
- ◆ policy & program development
- ◆ treatment planning
- ◆ staff recovery workshops
- ◆ tobacco dependence treatment

Sponsored by New Jersey Department of Health and Senior Services through the Comprehensive Tobacco Control Program.

*The Nicotine Challenger* is a publication of the *Tobacco Dependence Program*.
